In addition to traveling scholarships, The Architectural Education Foundation, AIA Colorado awards academic scholarships through the University of Colorado – Denver College of Architecture and Planning and the University of Colorado – Boulder Program in Environmental Design. Since the first $600 scholarship was awarded in 1961, the Foundation has awarded more than $1 million in scholarships, grants and other awards to more than 250 students, architects and teachers. Information about the 2017 scholarships will be made available in late January at aiacolorado.org. Applications are typically due in early March.
