# Values: Who We Are

## CONNECT

We believe that a connected community of architects can do more than any individual.

## ADVOCATE

We find ways for architecture to help make things right in our society.

## CELEBRATE

Architecture is serious business, but we honor having fun and sharing success.

## ADVANCE

We move forward with purpose, never satisfied with the status quo.

## CATALYZE

We work to equip the architecture community to set change in motion.

# Mission: What We Stand For

OUR CORE FOCUS

Activate Colorado's architecture  
community to advance positive change.

---

# Vision: Where We're Going

Create a movement of change agents to broaden the impact of architecture.
