In addition to traveling scholarships, The Architectural Education Foundation, AIA Colorado awards academic scholarships through the University of Colorado - Denver College of Architecture and Planning and the University of Colorado - Boulder Program in Environmental Design. Since the first \$600 scholarship was awarded in 1961, the Foundation has awarded more than \$1 million in scholarships, grants and other awards to more than 250 students, architects and teachers. **Information about the 2017 scholarships will be made available in late January at [aiacolorado.org](http://aiacolorado.org). Applications are typically due in early March.**
